ANNUAL PRINCIPALS' MEETING 2022 AT SHILLONG

3-4, AUGUST 2022

The annual Principals' Meeting of Shillong Province school principals were held from 3rd - 4th August 2022 at Don Bosco Provincial House, Mawlai, Shillong. All, except Bro. Alexius Condpan from Don Bosco School Baijalbari, were present for the meeting. The province delegate for Education and Culture, Fr. Babu Stephen, coordinated the meeting. The participants from different schools of the province arrived on 3rd afternoon and the meeting began at 4:00 pm with a prayer by Fr. Richard which was followed by words of introduction and welcome by Fr. Babu Stephen. The first session of the day began with Fr. Paul Olphindro, the Provincial, on the Education ministry in the province. He, at the very outset, thanked and appreciated all the principals for their hard-work and dedication in the field of education. He highlighted some of the great achievements and milestones of our schools and exhorted everyone to keep up the same spirit of hard-work and dedication. Fr. Paul also enumerated some key points which need to be looked into while carrying out our education ministry for the benefit of all. In fact, Fr. Paul, through his lively session, set the tone for the rest of the meeting.

The second session was taken by Fr. James Thyrniang, the Economist, on financial matters and other document related issues. He, through his power-point presentation touched upon some important points such as: financial transactions, accounting and auditing documentations, land issues, registrations and so on... It was indeed a noteworthy session by Fr. James. The day's programme ended with the evening prayer and goodnight talk by Fr. Provincial. The second day began with the lauds and meditation which was followed by Eucharistic Celebration presided over by Fr. Provincial and concelebrated by other priests. The meeting began at 9: 00 am with a prayer led by Fr. Sunny from Pitra which was followed by a well prepared presentations from Tripura and Mizoram region regarding, the school statistics, Board examination results, some good practices in our centres and schools etc... There were a number of interventions and clarifications made by different confreres regarding the smooth running of our institutions and struggles that we go through daily while carrying out the education ministry in the province.

In the afternoon of the second day, Fr. Nelson took a small session regarding the scouting movement in our province. He spoke at length the various aspects of this very important movement in all our schools. He also highlighted the importance of our schools taking part in the forth-coming 14th National Boscree which is to be held at Tapesia, Guwahati Province from 29th Dec. to 3rd Jan. 2023. He further exhorted the province to organize some common scout camps in different regions of our province once in a year and also to organize the Scout Masters and Guide Captains training for our school teachers. Fr. Babu took another session regarding the Salary scale, EPF, common appointment letters for all our schools and something regarding the Don Bosco Trademark. It was a very enriching and informative session which was very much relevant and useful for all our schools. Many clarifications and doubts were explained and things made clear for many of our young confreres who are in the field of education for the first time.

Later, during the course of the meeting, Fr. Saji Stephen spoke about the Education to faith, Bro. Regi spoke at length regarding the common uniform, notebooks, text books, bags and School Jerseys. Fr. Anthony Kharkongor too spoke about the need for starting SYM movement in all our schools and also the Don Bosco sports academy. The two days of meeting ended well with messages from provincial in which he thanked everyone for their active participation and for being present for the meeting. He exhorted everyone to keep up

the same spirit of bringing up our education ministry in the best way possible and accompany our young students with a Salesian presence. At the end Fr. Dominic Eddie Ralte proposed vote of thanks.
